

Webinar Series

AI LITERACY IN ACADEMIA

SPEAKER
DR. CHRISTINA AGVENT

MODERATOR
DR. ANUM TARIQ

Dr. Christina Agvent is the Founder of Trifecta Education LLC. With a PhD in Adult Learning and Development and an MA in Computers in Education, she brings over 30 years of experience in merging traditional teaching with modern technology. A strong advocate for AI in education, her book, AI-engagED: Future-proof Education, provides practical strategies for educators and students to integrate AI into learning effectively.
